Dear Ms Barco,

I am pleased to announce that our Alternative Investment Committee has approved a US\$ 5 million investment in Fairfield Sentry Ltd. for January 1. This in accordance with your e-mail of October 19, in which you stated that the capacity available to us would be US\$ 5 million on January 1.

This being said, we always do a small administrative due diligence and I hope to be able to complete this in time for the investment. By order of importance, I would need :

- * the subscription documents
- * the redemption form, if a specific form is used for that.
- * a copy of the fund's Memorandum and Articles of Association.
- * a copy of the Investment Management Agreement
- * a copy of the Administration Agreement
- * In addition I would like you to send the following questions to the administrator and ask them to answer to us directly :

<<Fairfield Sentry Questions to Administrator.doc>>

Finally, I understand (according to your latest answers) that a risk report (VaR report ?) is available for investors upon request. We would like to see an example of this.

Do not hesitate to contact me if you have any questions. I will not be in the office tomorrow but will be on Thursday.

Dear Mr. Lempereur,

I have just received the signed subscription agreement after I had sent the below email.

However, the first agreement has the specimen of 2 A signatures on page 10. According to the definition of minimal required signature instructions supplied by your office, the agreement should be signed by at least 1 A and 1 B signature (on page 11). As we do not have the specimen of your signature on file, could you please forward us an updated signature list showing your signature specimen and have the subscription agreement signed according to the instructions supplied?

Please sent it by fax or email, after which the original can follow later by mail, so we can process your subscription request as soon as possible.

Thanking your in advance,

Kind regards,

Dear Cristina,

We refer to your following orders in the above Fund:

South Hill SICAV SA - USD 172,500
Mint Inversiones SICAV SA - USD 1,378,000

RE: Fairfield Sentry - subscriptions i/n/o Mint Inversiones & South Hill

Page 2 of 3

My colleagues at Treasury Dept informed me that the amounts were incorrectly wired and that therefore they missed the deadline for the payment. We will inform the Fund accordingly.

Furthermore we received the above subscription agreements once again, this time with a date of August 22, 2007. Could you please advise if this is to be considered as your re-application for NAV August 31, 2007? If this is the case we will also inform the Fund and will send you a "confirmation of order received" as soon as they officially approve it.

Additionally, we need you to duly complete page 10 of the subscription agreements (both of them). It includes the registered address of the above companies, the mailing address and the contact details (tel, fax, email). Without this information we cannot book the trades and in the case of South Hill the account is not correctly setup yet due to the missing information and this is not acceptable for auditing and KYC purposes.

Thanks in advance for your cooperation.

With kind regards
João

Subject: Statement position difference Fairfield Fund -URGENT-

Hello,

We have a difference between the holding position that you confirm and the holding position that we have into our system.

So regarding the fund FAIRFIELD SIGMA LTD (isin code : VG G3299V108 5), you confirm us one position of 3974,26 shs on the holder ID 00120502 and an other position of 589,17 shs on the holder ID 00108703.

But on our side the both positions are on the holder ID 00120502.

So I think, there was a mistake regarding the booking of our purchase of 589,17 shs.

Could you investigate on your side, because this trade should be booked on the account of BNP Paribas Luxembourg,

Thanks for your help,

Best regards,

Geoffrey
